

Statement of Quality Policy

The Company recognises that quality is the responsibility of every employee. Oxley is committed to providing its customers with products and services which demonstrate safety, quality, reliability and innovation.

By working with our Customers it is our objective to meet all requirements with the aim of exceeding expectations and improving satisfaction.

We monitor our process performance, review our quality objectives and maintain compliance to the Quality Management Systems and applicable regulatory requirements.

We continually strive to improve our products and processes from design to delivery, including employee safety, waste reduction and pollution prevention to ensure the sustainability of our company and the environment. We continuously develop our technology and infrastructure to ensure we offer our customers cost effective solutions.

Employee and team development through involvement, training and effective communications is essential to the above objectives.

Our goal is to be the supplier of choice for our customers and recognised as the “best in the industry.”
